Program steps & FAQs

Your Lanthæus Link team

About Lanthæus Link

Here to help connect the dots.

What to expect from our program.

Actor portrayal

Helping move care forward.

Lantheus Link connects patients to resources and guidance on how they can access, schedule and get to their diagnostic scan.

Support is many things,
so Lantheus Link is, too.

Access & Reimbursement

Streamlined assistance with benefits investigations, prior authorizations, appeals and claims.

Affordability

Personalized guidance on financial assistance programs that may be available, including foundation-based support.

Education & Resources

Educational tools and resources that can help lend insight and understanding.

Logistics Support

Guidance on appointment scheduling, confirmation of in-network imaging sites and support finding transportation options.*

*For eligible patients

A team that understands.

Program steps & FAQs

How to get started

Care Coordinator

Your patient's main point of contact for all things Lantheus Link.

They assist by:

- Helping confirm an in-network imaging site
- Helping with prior authorization and appeal processes
- Sharing information about insurance coverage and out-of-pocket costs
- Helping find financial and transportation assistance options*
- Guiding patients through scan scheduling
- Providing appointment reminders

Market Access Leader

Your main point of contact for resources that facilitate care.

They assist by:

- Helping navigate patient access
- Educating on payer policies
- Helping with prior authorization and appeal processes
- Providing coding, billing and claims support
- Keeping you informed on your patient's progress

*For eligible patients

Four steps to a completed scan.

1

Enrollment

Work with your patient to fill out and submit the enrollment form.

- Complete all fields and obtain all signatures.
- All completed forms can be faxed to 844-339-8515 or emailed to support@lantheuslink.com. Visit lantheuslink.com for product-specific submission options.

2

Benefits Investigation

Next, we'll conduct a benefits investigation to determine your patient's coverage for our diagnostic imaging agent and related procedures.

- As needed, we can provide documentation to help with prior authorizations, letters of medical necessity, denials and appeals.
- If applicable, we will verify any transportation benefits in your patient's health plan.

3

Scheduling & Onboarding

When the scan is ready to be scheduled, we'll onboard your patient to the program.

- We will confirm the chosen imaging site is in-network.
- The Care Coordinator will go over insurance benefits, out-of-pocket costs, steps for scheduling, potential transportation and financial assistance options and educational resources.

4

Reminders & Follow-ups

With a scan on the calendar, we'll continue to offer support to help your patient make their appointment.

- Your patient can sign up to receive scan reminders before the appointment.
- If needed, we can walk patients through how to reschedule their appointment.
- We'll confirm scan completion and follow up with you as needed.

You may be asking, so we answered.

Who is eligible for Lantheus Link?

Patients and caregivers to patients prescribed a procedure consistent with approved usage of a Lantheus diagnostic are eligible to enroll.

How will I be notified once enrollment is complete?

Your patient's Care Coordinator will reach out to both you and your patient.

What happens if my patient's insurance changes?

Reach out to your patient's Care Coordinator with the new insurance information so they can begin a benefits investigation.

How can I ensure an imaging site is in my patient's insurance network?

Your patient's Care Coordinator can confirm if a site is in-network with their insurance.

How can you help my patient with the cost of their scan and transportation logistics?

We can provide information on financial assistance and transportation assistance organizations that may be able to help.

How can my patient sign up for scan reminders?

Once a scan has been scheduled, your patient's Care Coordinator will offer the option to sign up for scan reminders.
