A single solution, covering everything from access support
to appointment reminders.

- 1 Enrollment**
Once signed by patients, forms can be submitted via fax or email. With enrollment, we can provide in-network imaging center options if you don't have a preferred facility.
- 2 Benefits Investigation**
After enrollment, we will conduct a benefits investigation and assist with prior authorizations, appeals and denials as needed.
- 3 Scheduling & Onboarding**
We'll call your patient to discuss benefits, guide them through scheduling an appointment and plan transportation logistics.
- 4 Reminders & Follow-ups**
Patients can sign up for scan reminders, and we can assist with rescheduling. We'll confirm scan completion and follow up if needed.
